## WHAT AN EFFORT!

The 2024 FIDA Season has been amazing across all the Conference Competitions. The display of player skill and focus is a testament to the regular training and commitment by the team Coaches.

The clubs continue to strive for social cohesion between players, giving them a place to be themselves. We thank everyone involved in clubs who continuously provide these opportunities.

The FIDA league has delivered new initiatives and programs that helps to engage the wider community and instill support and friendship.

## TACKLE-FREE CARNIVAL #3

The sun was shining for the final Tackle-Free Carnival for 2024. We thank My Plan Manager for their support.

Over the 3 events, more than 100 players participated in carnival days. It was a great way to meet players from other clubs, build skills and give everyone the space to shine! We thank Greg Madigan, AFL-Vic CEO for kicking off the day, and Josh Bull MP for helping with the end of day celebrations.

A big thank you to the clubs that supported their players in participating; the umpires for supporting this competition style; and the event helps that made access and the event run smoothly.

# T.R.Y. AWARDS | TEAM-RULES-YOU

Giving team Captains the opportunity to identify a player that supports the epitome of Spirit of FIDA and Player Code of Conduct has enabled focus on expectations amongst player peers.

The last T.R.Y. Award was sponsored by Endeavour Foundation and we are thankful for their support with this key initiative.

## 2024 GRAND FINAL SEASON

The finals month for FIDA is August. It was a great season with many teams coming down to the wire in round 10 to determine if they would be playing in the semi-finals. This season has been a little different in the Metro Conference, where some clubs were able to form 2 teams in the competition for the first time. For others, some teams were challenged to participate in a higher grade. Although this may have seemed a stretch, many have embraced the opportunity to build their individual skills and as teams provide the encouragement and support in each game. Coaches and Team Managers, brought some fun antics into each match embracing participation.

The Division 1 & Division 2 Grand Final matches were played at Piranha Park on Sunday 25th August. Five (5) matches and in true Melbourne style with five (yes five!) weather styles throughout the day.
